It cost Wm. Grissam \$5 to draw a buggy whip on Max Myers, the butcher.  
The colored Baptist Sunday School will have a picnic at the old fair grounds to-day.  
A. G. Bush is going to build a \$5,000 residence on his lot on South Main street.  
The mail contract on the Macedonia route was secured by Alex. Davent and re-let to J. E. Grant.  
To-night at the rink the juveniles will have a hop. All the fads of the older set will be observed.  
It is rumored about the streets that Col. A. H. Clark is going to plunge after the Republican nomination for Congress.

Bill Torian, col., was tried Monday and held over under a bond of \$100. He afterwards gave bond and was released from custody.  
The medicine men are drawing big crowds nightly to their healing performances on the vacant lot on Virginia street.  
Lewis Trice, col., who escaped from the chain gang the other day, returned Tuesday and paid his fine of \$14.25.  
The ware-rooms and office of the Crescent-Milling company will be completed in a few days. A fire proof vault has been built in the office.  
There was nothing strange or mysterious in the departure of Radica, the mattress man, Monday night. He had informed several persons of his leaving.  
Esp. Younglove, at the request of Col. Jas. F. Buckner, of Louisville, decorated the graves of Lieut. W. T. Buckner and Gen. James Jackson in the city cemetery, Wednesday.

R. T. PETREE, Pres.\*

John W. Payne and Judge Potree went to Crofton, Tuesday, to investigate the violations of the prohibition law. Twenty witnesses were examined, but information was had against only one party, Alex. Woodson.  
The attaches of this office are under lasting obligations to Mr. J. B. Galbreath for a kind consideration in ice cream and cake. Mr. Galbreath knows the quickest way to a printer's heart, and he knows besides how to arrange the cooling apparatus for the sweltering public during the dog days.  
Reports of mad dogs in Trigg county have reached the city. Sunday Jim Cooper killed a canine strangely affected. It is the time the dog ordinance was being revived. Christy Diggarstaff is an expert dog-killer, and the council should commission him to begin operations next Tuesday.  
Judge J. I. Landes went to Princeton, Tuesday, to attend the closing exercises of the college there. He was appointed examiner by his Presbytery. The Judge also made a trip to Henderson over the O. V. and is making a survey of the railroad situation. He will be home to-day and will probably have something interesting to say about his trip.  
John Feland, Jr., argued his military case before Judge Advocate General Ernest McPherson, in Louisville, Monday. Mr. Feland thinks his argument and proof conclusive and hopes to attend the present officers of the Third Regiment State Guards. A report will be sent in by the 14th of June settling the matter.  
Miss Sallie Buchanan, daughter of our fellow townsman Mr. A. H. Buchanan, died Wednesday morning, after an illness of several weeks. The burial took place yesterday at 10 o'clock. She was most excellent young lady of sweet disposition, as was attested by her popularity in social circles. Her family has the profoundest sympathy of the entire community.  
Col. Tom Morrow went down to Princeton, Tuesday, to defend S. C. Tilden, col., for beating a white man. Tilden some years since had a difficulty with a man named Franklin in Hopkins county. Shortly after Franklin left Hopkins county. Last winter Tilden came into Caldwell county, and by some means learned that a man named Franklin lived at a certain place. Presuming it was his old enemy, he called him out of the house one night and made a brutal assault upon him. In spite of the skill of his able attorney Tilden was sent up for five years. There is a great deal of talk of a mob and some people think he will never get away from Princeton alive.

Clarksville Tobacco Leaf: Cattle breeders will be interested in the Jersey cattle sale of the South Kentucky and Tennessee breeders, at Nashville next Friday. The sale is made up of drafts from the herds of Dr. H. T. Drane and W. P. Johnson, this county; S. W. Tallafiero, Guthrie, Ky.; J. R. Dickinson and W. C. Garth, Trenton, Ky.; and Geo. V. Green, Hopkinsville, Ky., and W. B. Matthews, Franklin, Tenn. All these gentlemen are first-class and reliable breeders, and their herds represent the most fashionably bred Jerseys in the country. Good cattle can be had at this sale.  
A new road is being opened and graded running from a point one half mile West of Stripped Bridge to the road leading from the Palmyra road to Church Hill, tapping it at a point near the residence of Mr. Jno. A. Browning. This new road shortens the distance from the Stripped Bridge to this city about two and a half miles and will cut off a great deal of travel over the Palmyra road.  
The first term of the Common Pleas Court will adjourn to-day. Col. McPherson has made a record on the bench that any judge in the state could well be proud of. He has presided with dignity and fairness. He has been prompt in the dispatch of business and his rulings have been uniformly just and well considered. He is excellent material for a judicial officer.  
We have received information from Clarksville to the effect that the great damage suit—\$25,000—of Mrs. Blanche L. Stacker vs. the Louisville & Nashville Railroad, for causing the death of her husband some time ago, is on trial before Judge McAllister, who sits on the circuit bench by interchanging with Judge Mumford.  
A. M. Laub was arrested by Chief Biggerstaff Tuesday on a warrant sworn out by John Chappel, col., charging him with committing an assault. He was released on his own recognizance and the trial set for Thursday. Chappel failed to appear Thursday and the case was continued until to-day.  
The railroad company is talking of running excursion trains every Sunday afternoon during the summer out to the chalybeate springs a few miles north of the city. The round trip fare will be put at 25 cents and no doubt a liberal patronage will be secured.  
Chris Timothy had his garden raided, Wednesday night, and came near losing his crop of vegetables. That afternoon he set out 60 tomato plants and the thief carefully pulled up 47 of them. Chris is now wanting to borrow a shotgun.  
Although there has been much complaint about the ravages of the army worm in South Christian the wheat crop has not been injured, and with luck from this on to harvest promises to make one of the finest crops raised for several years.  
The Blumenstiel Carriage Company has purchased the machinery of the Henderson Buggy Company and the engine, boiler and shafting of the Metcalfe Manufacturing Co. and will hereafter conduct a very live enterprise in their line.  
The Franklin Favorite, speaking of the return of Robert Hendricks, the escaped inmate, says: "Old Mr. Hendricks will promptly retract all the accusations he has made against the asylum officials and will publish a letter to that effect in the Favorite."

The colored people will picnic at Herndon, to-morrow. They have made arrangements to have two bands of music and a big time is expected. The candidates are invited, and expected to be present.  
The L. & N. will give one fare, \$7.35, for the round trip to the St. Louis convention next week. Tickets can be purchased from the 1st to the 4th, good until the 15th.  
Mr. A. H. Buchanan desires to extend his heart felt thanks to the members of the Y. W. C. T. U. for beautiful floral offerings to commemorate the death of his daughter.  
Prof. J. B. Fitzhugh's school closed this week, and Wednesday night a concert was given, the particulars of which will appear in a letter from Church Hill, in our next issue.  
Clarksville has organized a military company with Ed Howard as captain and R. D. Caldwell and W. H. Purcell lieutenants.  
Judge Winfree married M. M. Haley and Miss Margaret R. Wilson in the County Clerk's office yesterday.  
Born, to the wife of M. E. Ham, at Beverly, Tuesday morning, a fine girl.  
Maj. Ferrill's school closes at noon to-day after a session of unusual success.

**Almost a Row.**  
Wednesday morning Anthony Tandy, col., complained to the police that he was being badly treated by the contractors at the rock crusher. He claims that he went to Messrs. Holman & Grinter and asked to be informed about the measurement of his rock and that one of them drew a pistol on him. He was to have sworn out a warrant yesterday, but had not come to time at last accounts. We understand, on the other hand, that employees have no trouble in ascertaining the measurement of their work.  
**Children's Mass Meeting.**  
At 3 o'clock next Sabbath afternoon the young people of the Cumberland Presbyterian church invite their friends to attend the annual exercises of "Children's Day." No service at night.

John Boyd, Post, G. A. R.  
Wednesday being decoration day it was appropriately observed, at Crofton, by the John Boyd Post, and a very interesting program was carried out. A large audience assembled at the Academy Hall, and after the regular ritual service of the Post, Col. A. H. Clark read the speech of Hon. Walter Evans, who was unable to be present on account of sickness in his family.  
Capt. W. T. Ellis, of Daviess, being present, was urgently solicited to make a speech, which he consented to do, and having served throughout the war, clothed in the gray, was naturally inspired for the occasion, and made a speech that forced many a strong heart to find emotional relief at the fountain of tears. The Capt. said that while the Post had met to honor those who wore the blue and to offer floral tribute of a fond remembrance, that they should not forget to drop a tear on the graves of the gray. His words of eloquence were enthusiastically received, and those who had never seen the Capt. felt that it was good that he should be with them.  
Hon. Jas. Breathitt also made one of his happy efforts and lost none of his former reputation for force and eloquence.  
The exercises were interspersed with singing and recitations, and at the close a salute was fired by a young company of artillerymen.  
The meeting was pronounced a grand success.

**The Commercial Club Spread.**  
Next Thursday night the Commercial Club will hold a mass meeting in the Circuit Court room to discuss the various business interests of the community. The Directory of the Louisville club will be present, among whom are young Allison, Angus Allmond and G. E. Bligh. These gentlemen with other interesting speakers will deliver addresses, and the evening promises to be one of the most important and enjoyable in the history of the city.  
On Friday evening a banquet will be given by the Club at the residence of Mr. Geo. O. Thompson under the supervision of Mesdames W. A. Willig, E. B. Bassett, T. W. Long, G. E. Gaither, C. W. Metcalfe, J. M. Starling and W. S. Davison. Elegant invitations will be issued and the affair promises to be strictly recherche.  
We are gratified at the continuous expressions of good will that come to us from our readers. That the KENTUCKIAN is on a legitimate boom is evidenced in the large increase of our list of subscribers and generous patronage in other respects. As a newspaper the KENTUCKIAN has no superior in the state. We bend every energy to prove faithful to the reading public, and no event of importance escapes without being well considered in our columns. The political campaigns are now on, and the people should keep posted in the great issues that are being fought in our land. It is necessary for one to keep abreast of the movements of the day that he should commence now, and there is no medium of news and comment superior to the KENTUCKIAN.

**Bethel College Exercises.**  
The examinations at Bethel Female College have been well attended this week. Classes in physiology, French, Grecian and Roman history, Latin, grammar, geography, mythology, elocution, English literature and mathematics were examined and evinced careful training and close application. The faculty deserve especial praise for their excellent work. The art display was meritorious, the work being remarkably well executed for school girls.  
The commencement exercises at the opera house last night were well attended, a full report of which will appear in our next issue.  
The meeting of the Board of Trustees Wednesday afternoon was quite interesting and a determined effort will be made to increase the patronage of this always popular institution.  
**The Ellis Ice Company.**  
The Ellis Ice factory is one of the best equipped enterprises ever started in our city. The machinery is a marvel of beauty and all the scientific appointments are first class. The arrangement of the buildings is very convenient. A register is kept and already 150 visitors have enrolled their names. The capacity of the factory is 10 tons a day, and the company is now disposing of 3 tons daily. Contracts are being made at all the railroad points on this line, and it will not be long before the demand will be equal to the supply. Certainly the people should patronize and encourage this enterprise, for it is a credit to the community.  
Reader, did you ever pause for a moment to consider the vast amount of reading matter you get in a single copy of the South KENTUCKIAN which costs you less than 2 cents a copy? If you have not, do so and we think you will be warranted in coming right along and contributing two dollars more for a yearly supply, to be given in broken doses, twice a week—Tuesdays and Fridays, and paper stopped when out, unless otherwise ordered. You actually get more local, editorial and general news than from any other paper published in this part of the State, and while our list is rapidly increasing, come forward if you are not already a subscriber, and let us enroll your name on it, thus adding to the mighty number.
